in Philadelphia.

Sioux Falls, S. D., April 16. - Selection of saloonkeepers by popular vote became a reality in Elk Point, a town in Union County, to-day. It is said to be the first time the ballot has been so utilized. Under a law, in effect July 1, the number of saloons is limited to one for each six hundred inhabitants, and the saloons at Elk Point were thereby reduced from five to two. It was decided to select the two saloonkeepers by popular vote. Out of six candidates P. C. Kelly and W. W. Guillaume were elected.
